Annotation: This article contains information about the sports sector in the Republic of Uzbekistan legal grounds for development and reforms in the field of physical education and sports in our country about.

Key Words: "President's Cup", concept, "sprouts of Hope" "perfect generation", "Universiade", Olympic places

It will not be an exaggeration to say that the reforms carried out in our country, including the attention paid to the field of physical education and sports, are aimed at raising the future of the New Uzbekistan, further improving the Gens of the nation. Special attention is paid to the manifestation of the sport of Uzbekistan in the world by the development of the sphere by our government.

On the program of the president of the Republic of Uzbekistan for the development of the activities of Sports and educational institutions until 2025 of October 30, 2021, on the measures for the further development of sports "walking, running, mini-football, badminton, streetball and" Workout "of November 5, 2021, on the complex preparation of athletes from Uzbekistan for the XXXIII Summer Olympics and XVII Paralympic Games to be held in Paris (France) he is instrumental in the further development of his sport. It also serves as a programmatic and legal basis for training young and experienced specialists in the field, ensuring their active participation in sports competitions in the country, Asia and international.

The popularity of physical education and sports in our republic is even higher raising the ladder, developing the movement of physical culture, people's National Games restoration, formation of a healthy lifestyle, in modern sports in order to train talented athletes and improve their sports skills implementation by the first president of our country Islam Karimov in terms of many, the decrees and decisions that have taken the field of sports in the country it became important in popularization and development. Our country from the early days of independence, it carried out self-centered reforms in this area has shaped its legal base of a certain appearance in terms of increase.

Based on the above decisions and the program, it is necessary to further improve physical education and sports education in the qualification area, purposefully prepare athletes ' reserves, separately prepare for the 2024 Summer Olympics and the XVII Paralympics in Paris, and pay special attention to strengthening the health of the population through physical education and sports.

1. Physical education and sports in Uzbekistan to the central Republics a relatively low level was established, the movement of sports was led by the mass of the local population were not involved, while training highly qualified athletes from among them, no clear and targeted work was carried out.

2. Development of sports networks, construction of sports facilities, sports in general expansion of the material and technical base and financing works only center with consent, it was carried out in a limited way.

3. Training of higher and Secondary Education personnel for the field is established although, national athlete personnel in competitions are different artificial obstacles and qualifiers had to go through. As soon as Independence was achieved, in January 1992 the legal basis for the development of physical education and sports in the country " physical the law" on upbringing and sports " was passed. In the short term:

- the organizational foundations of physical education and sports management have been improved;
- National Olympic Committee of Uzbekistan, federations in sports

organized;

-physical education, wellness, mass sports affairs and sports

national types developed;

-the material and technical base of physical education and Sports has been strengthened;

-national training of personnel in the field of physical education and sports according to the educational program and reeducation work is being carried out[2].

The physical and spiritual perfection of the younger generation in our country ensure striving for a healthy lifestyle and love for sports development, creation of a material base of children's sports in places, populated creation of a material base of children's sports in places, as well as sports equipment and equipment in order to further activate the provision work, in 2002 Uzbekistan.

A children's Sports Development Fund was formed. President Of The Republic Of Uzbekistan The foundation was elected chairman of the board of trustees. Republic Of Karakalpakstan Chairman of zhukori Kenges, regional branches of the regions and mayors of Tashkent were appointed chairmen of the board of trustees. Students to sports training publicly, in order to organize continuous engagement, "student and student Organization of a system of continuous sports competitions aimed at attracting young people to sports decree of the Cabinet of Ministers of the Republic of Uzbekistan in 2003 received. On the basis of this decision, secondary schools, academic lyceums in the country and students of vocational colleges and higher education institutions "Hope germination", "harmonious generation", "Universiade" competitions in the regions plan for holding the final stages of the Republic was established. With physical education and sports to regularly engage our population, first of all, the health of our younger generation considering that it plays an important role in strengthening, it is special attention is paid to the industry. President Of The Republic Of Uzbekistan Shavkat Mirziyoyev took a number of measures to develop the sports sector in our state and carries out activities as a result of which Uzbekistan national sports team teams are ranked high in Asian and world-wide competitions is occupying. In this regard, on February 15, 2017, Management in the field of Culture and sports on measures to further improve the system of the Republic of Uzbekistan The decree of the president was published. According to the first paragraph of this decree, Uzbekistan The Ministry of Culture and sports of the Republic will be liquidated and on its basis:

- Ministry of culture of the Republic of Uzbekistan;

- Establishment of the state committee of Physical Culture and sports of the Republic of Uzbekistan[3].

According to the decree of the president of the Republic of Uzbekistan The main task of the activities of the state committee of Physical Education and sports of the Republic and directions were determined. President Of The Republic Of Uzbekistan Shavkat Mirziyoyev on October 31, 2017, under the chairmanship of the management system in the field of physical education and sports improvement, development of mass sports, selection of talented athletes and upbringing, strengthening the industry with qualified personnel and modern sports a meeting was held dedicated to the issues of its facilities. In their speeches, they say, during the years of independence, large-scale work on this matter was carried out increased. With physical education and mass sports of the population, especially of the younger generation necessary conditions have been created for its regular engagement.
